**McNutt, Edmonds Lead in Absentee
Votes; Official Tally Announced**

Official count of votes cast at the polls May 16 and absentee ballots cast, completed today and to be presented by County Clerk William H. Augustus to the County Board of Supervisors tomorrow, show no startling changes from the unofficial count published in the Tribune the day following the election.

A total of 36,152 persons voted this year, including 579 absentee voters. A total of 33,956 voted in the August, 1942 primary election.

Judge Maxwell McNutt won reelection to Superior Court Dept. 1 over 31st Atty. Gilbert D. Ferrell by 1256 votes, the official count shows.

Dr. A. E. O'Neill, Redwood City dentist, led Lt. Col. Henry W. Edmonds by 785 votes in the race for supervisor from the Third Township. Edmonds received 130 absentee ballots, Dr. O'Neill 124. A runoff between these two will be necessary at the November general election. O'Neill received a total of 9783 votes, Edmonds received 9018.

Evans A. Fletcher, Redwood City councilman and insurance man, placed third in the supervisory race with 6833 votes and George Alvis, Redwood City ball and bond broker, came in fourth with 3768 votes.

In the special election issue, the taxing of government property

received a yes vote of 21,135, to a no vote of 9637.

Supervisor Thomas L. Hickey of the First District received a complimentary vote totaling 25,653, and Supervisor Alvin S. Hatch received 25,020 votes.

Final election results:

**Friendly Acres
Residents File Suit**

Mrs. Helen de Vry, 756 Haven Ave., and 27 other residents of Friendly Acres, subdivision, filed a complaint with the State Railroad Commission Wednesday against the Friendly Acres Water Co., stating the rates are "unreasonably high and excessive and that no effort is being made to reduce unnecessary operating expenses."

The complaint states that the rates in the subdivision are higher than in any neighboring communities. The railroad commission is asked to investigate.

**Council Forces
Abatement Action**

The Redwood City Council meeting Monday night in the council chambers of the city hall agreed to pay one-third of the amount borrowed and now owing to the water fund from this year's unbudgeted reserve fund.

Building inspector Laurie Duncan reported that the "Vic Mitchell" property was not being abated. Council members requested the city attorney to give 30 days' notice after which time, the building inspector was ordered to remove the property at the expense of the property owner.

Gene Hoffman was sworn in as a member of the board of review by city clerk, Ralph Dodge.

Dance permits were granted the Court Madrone, 158 and Yvonne Schlichtmann. A permit to hold a rummage sale at 842 Main St. was given to Circle 769, Druids, and Henry Witte was granted a one and one-half hour parking zone in front of his building on James Ave. near California.

**Gans Warns Parents
About Typhoid**

While the number of communicable diseases reported for the week ending May 27 dropped sharply over those of the previous week, Dr. Charles C. Gans, director of San Mateo County Department of Public Health and Welfare cautioned against the possibility of an outbreak of typhoid.

Only one case of typhoid has been reported and that from Palo Alto. It is the first case there since July, 1937, he said, and the two most common sources of typhoid, water and milk, do not appear to be involved.

POSTS BAIL

Stephen S. Sargent, 52, San Bruno real estate salesman, was free from the county jail here today on \$100 cash bail, following his arrest at 11 p.m. Tuesday on a charge of drunk driving. The arrest was made by the California Highway Patrol on El Camino Real near South San Francisco.

Way across from the Red Feather Products Co. was put on the agenda for the next meeting. The application was made by H. J. Roy.

**Serve With Navy Medical
Corps Urges Greyhound**

"Serve with the Navy Medical Corps" urges Pacific Greyhound Lines in their current advertisement released in more than 500 western newspapers. This is another advertisement in Pacific Greyhound's series in co-operation with the recruiting program of the armed forces, chiefly aimed at getting women to enlist in the various auxiliaries. Others were Seabees, Marines, Waves, and Wacs.

This latest advertisement features both the Navy Nurse Corps, open to trained nurses, and the Waves Hospital Corps which urgently needs other women to serve in the naval hospitals, clerical capacities, and as helpers in the wards, laboratories and pharmacies. Much of this work is now being done by male hospital corpsmen, and women can release these men for duty on the fighting fronts.

Said F. W. Ackerman, vice president of Pacific Greyhound Lines: "Anyone who has been in the navy, as I have, will appreciate the need for women in our military hospitals. I well remember the men nurses of

the last war; they were well trained and capable enough, but our wounded fighters should have as far as possible the care of women nurses, and, furthermore, the men are urgently needed to serve on the battlefronts. Pacific Greyhound is happy to co-operate by means of this advertising with the recruiting of women for the armed forces. We look upon this advertising as a further extension of the transportation service we are providing for the Army and Navy."

**Hershbergers Buy
Terrin Property**

Mr. and Mrs. Charles C. Terrin have sold their residence on El Cerrito Ave. to Mr. and Mrs. J. C. Hershberger for \$18,000, stamps on a deed recorded last week with County Recorder T. Clark Rice indicate.

The deed was recorded at request of the California Pacific Title and Trust Co.

**Become a
NAVY NURSE**

The Navy Nurse Corps offers you the opportunity to serve your country with recognized professional standing as a commissioned officer in the Navy. The Navy Nurse

serves in base hospitals overseas and in the United States, on Naval transports and Hospital Ships, and in Hospital Corps Training Schools. The present Naval expansion has

caused an urgent demand for more and more Navy Nurses.

If you are a registered nurse between the ages of 21 and 40, single, and in good health—you are needed.

GREYHOUND SERVES, TOO

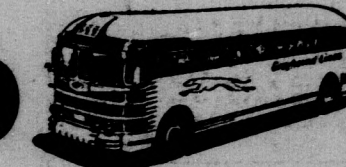

Greyhound provides transportation for all branches of America's military forces, including Navy Nurses and Hospital Corps Waves, on duty... on leaves and furloughs.

Practically every camp and training center throughout the country where service men and women are stationed is served by Greyhound, and often we are called upon for special emergency service in transporting wounded of both Army and Navy to military hospitals.

We are proud of our important war work on the home front now and are planning a new era in bus transportation when victory is won.

PERSONALLY, WHAT I WANT IS A CHANCE TO GROW—NOT A ROCKING CHAIR FOR LIFE

IS COMPLETE SAFETY SAFE?

Risk and adventure made America what it is. So we should think twice before we try to put a complete feather bed under everybody in the country. The hardships of old age, unemployment and illness should, of course, be relieved, but character, courage, initiative and independence in Americans can be destroyed by promising everyone a soft life from the cradle to the crypt. Even if the promise could be kept, should it be?

IT KEEPS MONEY MOVING

A corporation is just a middleman between people who make or sell goods or services and people who buy them. It helps keep money moving towards workers and owners and towards the government. For instance, Johns-Manville in 1943 kept \$107½ million on the move. It sold that much of its products—took in that much money. Then it turned right around and paid out \$43½ million in wages and salaries, \$48 million for supplies and other costs of doing business, \$11½ million for taxes and \$2 million to the people who risked the money to make the company possible, leaving \$2½ million for future needs of the business.

I WANT TO SELL YOU THE PRODUCT JOE IS MAKING

WE HAVEN'T EVEN STARTED

Here's point No. 6 from the Creed of Management, written in 1938 by Lewis H. Brown, President of Johns-Manville: "We believe that business in this country has never been what it could be and never what it yet will be." An optimistic note in opposition to the belief held by some people that America has reached its limit, has quit growing, and should spend its "old age" in some kind of arms house and be fed out of a spoon by a "keeper."

HOSPITAL SILENCE BY JOHNS-MANVILLE

THIS J-M FLOORING IS SURE GOOD TO MY DOGS!

LITTLE BITS OF J-M HISTORY

The discovery of asbestos in Canada (about 1877) revolutionized the asbestos manufacturing business. Machinery used to process asbestos from Staten Island could not be used for the Canadian type.

As soon as they received the news of the discovery of asbestos in Canada, Mr. H. W. Johns, one of J-M's founders, and his associate, Mr. Harold, hurried up there and arranged to take the entire output of a mine near Black Lake. The company's business grew rapidly and an additional factory building in Brooklyn was occupied. There were no telephones; communication between the factory and the general offices at 87 Maiden Lane was by messenger boys using the ferry. (No Brooklyn Bridge then, either.) Later, a crude telegraphic service was installed.

Redwood City 'Y' in 19th Year

The Redwood City Young Men's Christian Assn., in its 19th year, Tuesday joined with its parent organization in San Francisco in celebrating the centennial anniversary of the founding of this worldwide organization in London.

Attending the dinner at the Palace Hotel tonight will be Andrew Spinas, secretary treasurer of the Redwood City YMCA Committee, A. H. Sagehorn, San Carlos committee member and Myron Greenlee, chairman of the San Carlos committee.

The Kiwanis Club will recognize the YMCA at its noon luncheon tomorrow. Lloyd Coldwell, Sequoia District secretary, will show a motion picture entitled "100 Years of Service to Youth" depicting the world wide work of this organization which reaches into 68 countries with membership running into the millions.

Scope of the present program can best be measured in that Redwood City alone has 15 different groups organized in the schools and churches. Coming under this district also are the five chapters in San Carlos and the three in Menlo Park making a total of 23 groups from this district.

While no accurate membership figures will be available until after July 1, over 100 boys on Saturday alone crowd into the 23 by 70 foot room at 2730 Broadway to play pool, ping pong and other games between the hours of 11 a.m. and 10 p.m.

Emphasis in the last few years because of the war and other factors such as the growth of juvenile delinquency has been on work with boys between the ages of 9 to 18.

History of the local organization

shows that it has pioneered in encouraging baseball leagues such as the "Twilight League," track and basketball on a Peninsula basis for the younger grade school boys and other sports. The Toastmasters Club was another activity started under "Y" sponsorship.

The "Y" also operates a summer camp on 927 acres at Jones Gulch near Memorial Park. The camp is now able to accommodate 200 boys in the most modern manner with supervised recreation which includes use of a filtered built-in swimming pool, fishing, archery, baseball and other games, handicraft and nature lore.

With the San Francisco YMCA as a parent organization, work was started on the Peninsula in 1925 by such outstanding Redwood City men as the late Banker Donald W. Williams, the late John Gill, school superintendent,

dent. C. M. Doyse of the San Mateo County Title Co. and Clarence Argo, present school superintendent.

By the Spring of 1926 Redwood City had an active club of high school boys under the leadership of John Gill, two younger boys groups, the Sioux Friendly Indians at Lincoln School with Paul Orr as leader and under Oscar Olson, the Algonquins at the Washington School.

By the following October, expansion was such that another paid secretary was added to assist George Chessum who had started with the organization the year previously.

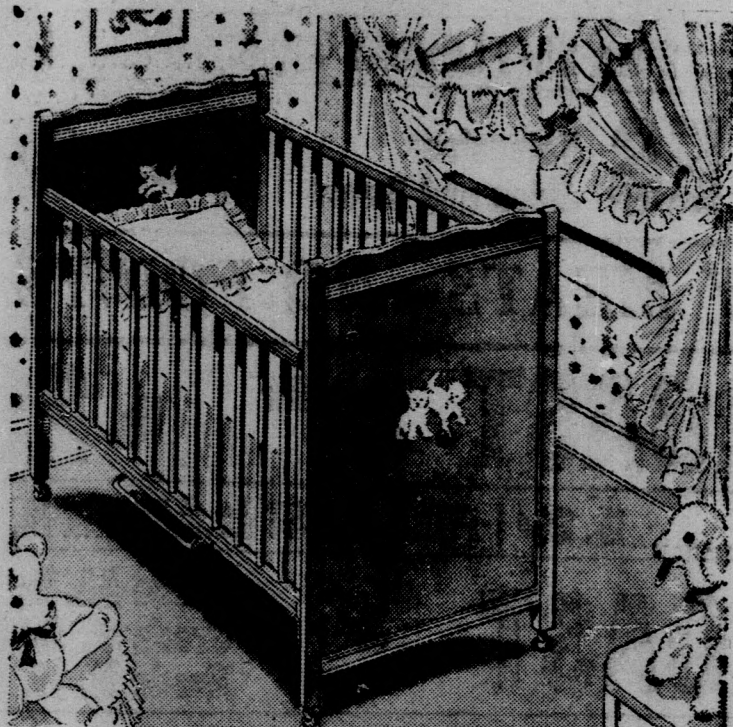

Present purpose of the organization remains the same as when it was organized. Efforts are all toward character building activities for boys and young men.

The triangular emblem of the YMCA signifies its emphasis on the growth of individuals through a well balanced personality in the realm of body, mind and spirit.

COMMUTERS: Members To Defend Bond 'Title'

BY JOE CABOOSE

Realizing the Commuters Club is defending champion in the upcoming Fifth War Loan drive (by virtue of having outsold all other groups in the Fourth War Loan campaign), the club's directors will meet tomorrow night in Tom Giannini's auditorium on Myrtle St. to lay plans for a defense of their title. President-elect Stan Perkins has already advised Bankers Jale Buhler and Fred Walker that the Commuters accept the challenge. "Lead-off man" Clarence Brizee (club treasurer and vice president-elect) announced he is ready to do battle at the first drop of a hundred dollar bond.

Flash! One of our carrier pigeons just landed on the window sill with this note slipped to a leg: "Dear Caboose: Very confidentially, Tom Giannini just won a full case of happy laughing water (12 full pre-war quarts) and I thought you would like to tip off the gang not to miss tomorrow's meeting. Tom wanted to keep his good fortune secret, naturally. So don't let on I told you. (Signed) 'Snake-in-the-Grass' McSneezy."

There is an opportunity in patriotism that comes to few men! Just think, Tom, what a hero you would be if you were the means of selling \$12,000 worth of war bonds a week before the campaign opened! An offer tomorrow night of a bottle of torpedo juice with each \$1000 bond ought to do the trick.

Another item of business on the directors' agenda (if it can be sandwiched in between refreshments) is making a final check of details for the club's big installation dinner and dance at the Benjamin Franklin hotel in San Mateo June 21. Hotel restrictions will limit attendance to 100 persons (50 couples), and Ticket-Chairman Brizee says demand for tickets is quite heavy. A capacity crowd will accommodate only about one-third of the club's active membership, so

you had better get your bids in early. No tickets sold at the door, and no reservations accepted after Sunday, June 18. It isn't that we want to be exclusive, but the war emergency enforces restrictions over which we have no control.

We don't know whether "reel" is the word, but we do have a lot of talent. Jack Welch was telling us only yesterday that the Commuters' orchestra now has eight pieces and they are holding regular rehearsals. Some of the regulars are Bill Dobbyn, piano; Welch and Norm Meyer, violin, with Norm doubling on guitar and Sanford DeBow and his brother on drums and saxophone. Ross Winchester and Jack Muller are also accomplished musicians who have exposed their talents to the club. And our singing stars are too numerous to mention.

he has been at work five years. "Who'd a thought it?" concluded Bill. "You know that club of ours fairly reeks with talent!"

There are other commuters who sing. But why go into that? Elmer Ross with his "You Tell Me Your Dreams, And I'll Tell You Mine," and Bill Curran with his "Bell Bottom Trousers." We are reminded of the song writer and singer who was being tried in San Francisco on a statutory charge. He spurned legal counsel, saying he would defend himself. When it came time for the closing arguments, he asked Judge Teresa Meikle if he could sing his summation to the jury. She consented, and he sang. Without leaving the box the jury immediately found him "guilty," and he was sent to the penitentiary. If some of our commuters ever try to sing themselves out of a jam they'll get life! (And deserve it!)

Speaking of the USO, our ladies are at it again. God love 'em! Last Monday the following rotated on duty from 3 p.m. to midnight: Madames Jack Welch, Elmer Ross, W. J. McKeegan, Albert Morgan Jr., Clarence Brizee, Martin Levy, Bradley Martin and E. E. Duncan.

The following story was told to us as gospel. A man phoned the local rationing board, and asked what was the ceiling price on gas coupons. The ration board attendant thought he was being kidded, but soon learned otherwise. "No, I'm serious," said the caller. "I've been paying 10 cents for each A coupon, and now the fellow wants to boost the price to 30 cents." The man is said to have given his name and address (lives in Redwood City), and when a representative of the rationing board later called on him he is said to have given the name of the party from whom he was buying the coupons. It sounds incredible, but we're told it actually happened.

B'nai B'rith Lodge Cancels Convention

The grand secretary, Edward A. Zeisler of the District Grand Lodge 4, B'nai B'rith in San Francisco Tuesday notified the Office of Defense Transportation that the organization "motivated by a patriotic desire to speed up our war effort, has canceled its annual convention which had been scheduled for July 11 to 13."

EAT MORE RAISINS!

Now that raisins are plentiful again, use them generously! Mighty good to eat, and good for you! Here's one interesting way to use them:

RAISIN-LEMON PIE

2 eggs 1/4 cup raisins
1 1/2 cups sugar 1/4 cup lemon juice
5 tps. cornstarch 1 tbs. butter or
1/2 cup milk margarine
1 tsp. grated lemon rind

Beat egg yolks slightly in top of double boiler; add 1 cup of the sugar and the cornstarch; mix well. Add milk gradually, stirring until smooth. Add raisins, lemon juice, lemon rind, and butter or margarine. Cook over rapidly boiling water about 15 minutes, or until thickened, stirring frequently. Cool; pour into baked 9-inch pastry shell. Make meringue by beating egg whites until stiff; gradually add remaining sugar, beating until mixture holds peaks. Spread meringue on pie. Bake in moderate oven (350°F.) 15 minutes, or until brown.
